

CURRICULUM VITAE

NAME: **Dušan URGOŠÍK**

E-mail: poliklinika@narodni.cz

EDUCATION:

1978-1984 M.D. - Charles University in Prague, 1st Medical Faculty Prague

1994 Ph.D. - Charles University in Prague, 1st Medical Faculty Prague

POSTGRADUATE TRAINING:

1984-1990 resident - neurology

1987 - board certification in clinical neurology step I (Postgraduate Medical School, Prague)

1988 – electromyography specialization

1990 - board certification in clinical neurology step II (Postgraduate Medical School, Prague)

1994 - evoked potentials specialization

1999 – board certification in neurosurgery (Postgraduate Medical School, Prague)

FELLOWSHIPS:

1992-1993 Department of Neurosurgery, University Presbyterian Hospital, Pittsburgh, USA

Department of Neurosurgery, Massachusetts General Hospital, Boston, U.S.A.

Neurophysiological laboratory, Veteran Administration, West Haven, U.S.A.

HONORS/AWARDS:

1992 - Foreign Scholarship Award from American Academy of Neurology

ENGAGE:

1984-1994 University department of neurosurgery, 1st Medical School, Charles University
Prague - position of clinical neurophysiologist, neurologist

1994 – till now Stereotactic and Radiation Neurosurgery, Na Homolce Hospital Prague -
position of neurosurgeon.

SOCIETIES:

J.E.Purkyne's Czech Medical Society:

Czech Neurological Society

Czech Society of Clinical Neurophysiology

Czech Neurosurgical Society

Neuroscience Society

Leksell Gamma Knife Society

European Society for Stereotactic and Functional Neurosurgery

CLINICAL TOPICS:

Clinical neurophysiology – Electromyography, evoked potentials.

Neurology – Intractable pain, headache, cranial neuralgias, peripheral nerve pathology.

Neurosurgery - Stereotactic neurosurgery including deep brain stimulation for Parkinson's and related diseases, intractable pain, trigeminal neuralgia, headache, obsessive compulsive disorder.
